CHILD
OUTCOMES
School Readiness
and Social
Competence

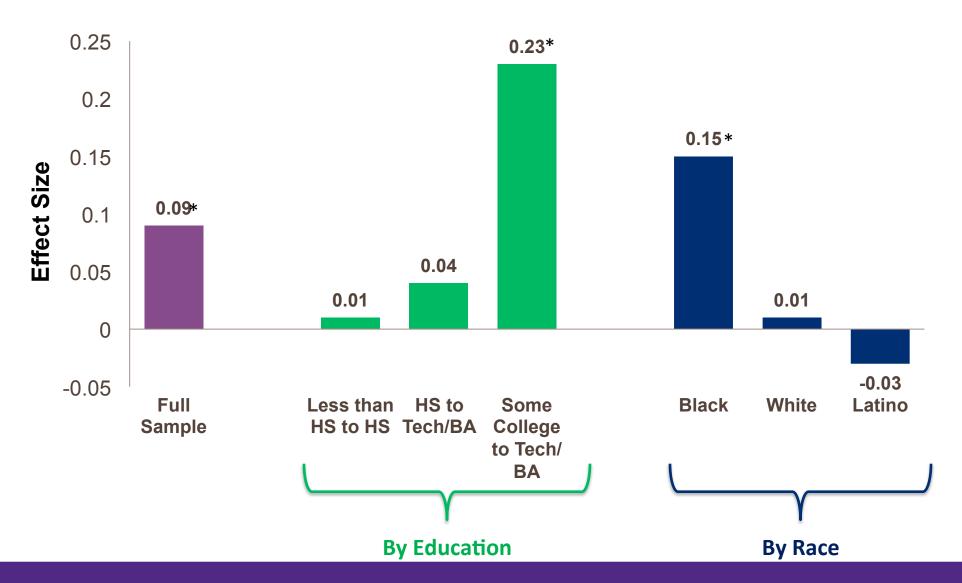

Two-Generation Lens on Head Start

Does children's participation in Head Start lead to an increase in parents' own human capital?

Sabol & Chase-Lansdale (2015). Journal of Policy Analysis and Management

Head Start Impact on Parents' Education

Opportunity for Promoting Both Parents' and Children's Education

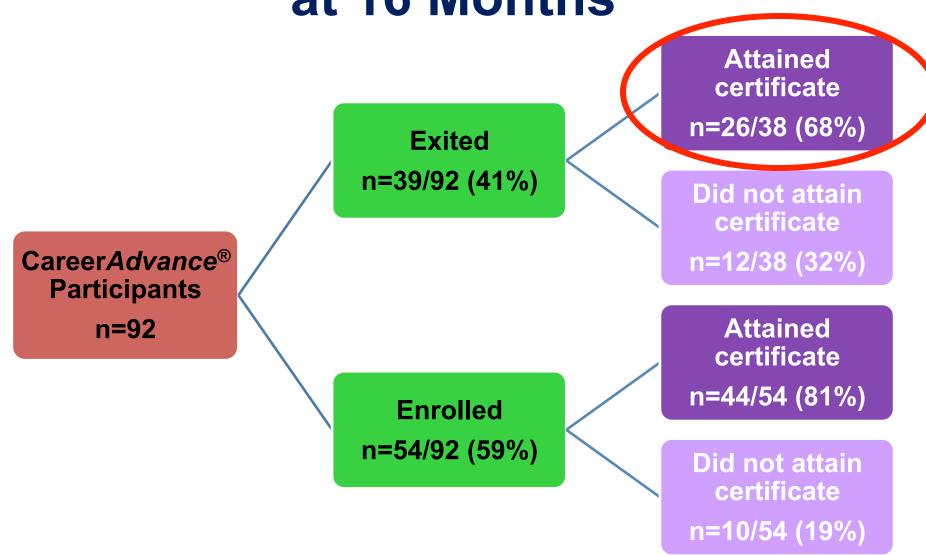

Head Start's "business as usual" approach is a promising platform for promoting both parent and child education

Potential for even more explicit parent human capital development in Head Start

CAP Tulsa's Career Advance® Healthcare Training

Enrollment and Certification in Career Advance® at 16 Months

Role Modeling

My son knows at 4 years old that he's not stopping his education after high school, he's gonna keep going. And he knows that now, and he's, you know...I think he's gonna be much more prepared than I was when I was in high school.

Hope for the Future

This program has changed my life; it's changed my future, my family's future definitely. I mean, this has opened up so many opportunities for me and my family.
